Excellence Higher Secondary School Jaithari.	
• 10th percentage - 94.6%    12th percentage - 93.4%	

---

## EXPERIENCE

**Full Stack Developer Intern at site.guru - ** **DURATION: JUN 2025 – AUG 2025**

- Worked as an Full Stack Developer Intern at site.guru, a platform providing web services to businesses and clients. Developed and deployed responsive, client-focused websites using modern web technologies.
- Gained hands-on experience in full-stack development and real-world project delivery. Collaborated within a growth-focused tech community dedicated to improving digital presence for small and mid-sized businesses.

---

## PROJECTS

**CRM - (Vue.js , Node.js , Express.js , SQL , web-socket,whatsapp APIs) [Link](#)**

- Developed a full-fledged CRM web application for businesses to manage leads, follow-ups and policy data efficiently.
- Implemented role-based access for admins and agents to manage , clients policies, and communication workflows.
- Designed and integrated business analytics dashboards to visualize lead conversion rates, employee performance.
- Enabled agents to independently manage clients, follow-ups, and customer interactions from their own dashboard.
- Enhanced decision-making capabilities with policy tracking, renewal alerts, and follow-up reminders.

**Mail Automation Extension - (Flask,GAAuth2.0,JS,HTML,CSS)**

- Built a Mail Automation Tool to generate and send customized emails at scale, ideal for sales outreach and follow-ups.
- Integrated Google OAuth and Gmail API to send emails directly from user's Gmail accounts securely.
- Used Google Gemini AI to generate personalized email copy based on recipient context (e.g., name, company, purpose).
- Designed for all types of emails – promotional, onboarding, updates, reminders – with built-in scheduling and logs.

**Forexyy - (React.js,Node.js,Express.js,MongoDB) [Link](#)**

- Forexyy.com is an all-in-one ecosystem built to train, guide, and support traders—helping them grow skills, gain confidence, and potentially trade profitably with funding opportunities.
-
